

About Experimenta

„Amazing and full of surprises“
„Recommended for every age“

The **Experimenta Freudenstadt** is an all-weather activity in the heart of the Black Forest.

The exhibition contains experiments from the fields of science, nature and technology that can be experienced first-hand. Try it yourself!

It is conveniently located in Freudenstadt city centre near the market square with free car parking available and regional train stations in close proximity.

There is an **English booklet** available explaining all exhibits.

Visit the science centre with the „Wow“-effect for the whole family! We look forward to your visit!
